FROM THE EAST

Brethren,

It is with gratitude and humility that I serve as your Worshipful Master. It is an honor to sit in the East of Allen Lodge No. 1435, and I pledge to lead with integrity, compassion, and a steadfast commitment to our Craft.

This year, I hope we will continue to strengthen our lodge through active participation, meaningful fellowship, and by supporting one another both in and out of the lodge.

I am especially excited to bring more family-friendly events to Allen Lodge. When our families share in our journey, our bonds grow stronger, and our Fraternity shines brighter.

We also face financial challenges that need our attention. Together, we can find solutions that will secure the future and prosperity of our lodge.

I encourage every brother to get involved, share your ideas, and help us build a stronger lodge for today and for the generations to come.

Thank you for your trust. Let us make this a remarkable year!

Faternally,

Miguel N. Sereno

MASONIC EDUCATION

The Level

The Level teaches us to be equal with one another. In the lodge, titles and positions mean little compared to the brotherhood we share. It reminds us that we meet on common ground, leaving differences outside the door.

*Let us meet upon the Level,
act by the Plumb, and part upon the Square.*
