Greetings From The East

Brethren,

It is hard to believe that we are looking at 2024 already. Time is flying and it has been a busy 2023 and I feel Allen 1435 always lives up to its reputation as a strong Lodge with a truly Brotherly Bond. December 2023 wasn't as busy, but we were able to complete some tasks and enjoy the Holidays at the same time.

The Allen Rotary Club Christmas Parade was a success, and we were able to participate and include Brethren from at least 3 counties representing several Masonic Bodies, a lot of whom were Commandery members.

A couple of us visited Dallas 760 for their Christmas oriented Stated Meeting where DeMolay shared one of their awesome presentations. The thing I like about our Lodge Brethren is that we have members involved in many different Masonic activities so it's not uncommon to hear discussions when we are together about different visits or events and traveling that has been done.

I encourage visitation and being part of groups and activities when able, because it can be enlightening seeing how other Masons work in different districts and parts of the country. It's always nice to meet other Brothers with the same common goals.

Greetings From The East (Continued)

Our December Stated meeting was full and we had some visitors interested in joining Masonry, which is great! We have had several visitors of late and I think 2024 will come with new membership as we also have several EA's and one FC that are getting close to turning in their work and moving forward, which means.....it's almost DEGREE SEASON!!! I am definitely looking forward to the Degree conferrals.

We also have Grand Communication January 18-20th and we will be hosting MWSA Wednesday Jan 31st.

Finally, I hope everyone has a Safe and Happy New Year!! I look forward to another great year of Texas Masonry with my Brethren at Allen 1435!! Thanks for ALL you do for your Lodge!
