

Greetings from the East

Allen Lodge #1435 April 2024

Brethren,

Hello Brethren! It's April 1st and we just finished a very busy March. The month of March brought us 3 new Fellowcrafts and a newly initiated Entered Apprentice. Thanks to all those who participated in the Degrees!! We were proud to receive our District 9A DDGM RW Dennis Dlabaj, who is also one of our Allen 1435 Past Masters, at the March Stated Meeting and heard the Grand Master's message.

Our Blood Drive Committee attended a Carter Blood Care event where top performers in the metroplex were recognized for outstanding numbers in blood drive donations. Allen 1435 always has had good numbers of blood donors and with Brother Hardwick at the helm of the committee has really excelled in helping numbers rise each time we go out with Carter Blood Care.

Brothers Black and Worthen also started off the Take Time to Read program by packing and delivering all materials to the local schools. They are estimating in the 2-3,000 range in reading packets distributed for this school year. That's a lot of reading!!

Upcoming events listed below. Looking forward to a great April!!

Toby Roberson

WM- Allen Lodge #1435
